

The purpose of this letter is to inform of the positive effects of K-Love Radio (KLVY) in our community. I actually hear K-Love playing in more local businesses than any other radio station. Why? Because K-Love keeps us focused on what's important and improves everyones attitude and work ethic. It provides an positive alternative to secular stations for our kids!

K-Love also provides useful info about local events, weather, and news. The services Provided by K-Love Radio are definitely beneficial to Oakhurst and the surrounding community.
